Testimony as follows

I reported to Col Thomas Early at Washington D.C.  
on the 13<sup>th</sup> day of June 1865 for orders I received  
orders to turn over the Quartermaster Stores as  
soon as I could after my regiment left Washington  
I turned over the goods on the 14<sup>th</sup> of June 1865

turned over until the 21<sup>st</sup> of June 1865 - I then  
started under orders (which he produced) en route  
for St. Louis Mo. I was detained at Beardwood a  
not-making connection with the cars 24 hours  
And also that the train missed connection at  
Cincinnati O which caused a delay of fifteen  
hours I reported to General Dodge at St. Louis  
Mo. & received orders to join my regiment at Lynch  
Ky. The Adj<sup>t</sup> Gen informed me that my company  
would be mustered out and would be home in a  
few days And he supposed it would not make  
much difference if I remained four or five days  
with my family in St. Louis, which I had not  
seen for near three years And acting upon  
the supposition that my company was or would be  
mustered out soon over

I remained waiting for my company to arrive  
until the eighth day of July 1853<sup>rd</sup> reported to  
my regiment on the ninth day of July 1853

The Court examined the orders which he  
had in his possession and came to the  
decision that 1<sup>st</sup> Lieut James O. Burr Co H  
92 Mo Vols Infy was about with proper  
authority and recommended that he be  
reinstated

It is not a matter of mere centimes of disability, nor of a few francs of indemnity, but of the lives that have not been saved, of the suffering humanity in slavery, consumption, and other diseases, of the prolongment of the misery of the poor, of the loss of many precious diseases in life to the world, of the suffering of the poor; and in no case when such a thing is done, after sufficient time and examination, to detect any attempt at deception.

NOTE 1.

Every commander will here add a statement of what is known to him concerning the cause or causes of fatality of the soldier, and also, if possible, of the circumstances under which the soldier, in disease contracted or acquired, the disease, or condition of the soldier at the time he was first or became contracted, whether or not the soldier was received in the hospital, and the cause of the duty; and whether or not there was any event as to the cause, immediate or remote, and the circumstances attending it.

There are not known to the commanding officer the names of any other, or names of a soldier who has been discharged, will be permitted—no one in the care of a hospital, the officer commanding the hospital of recruits, &c., &c.

### NOTE 2.

In a probable case for pension, special care must be taken to determine the degree of disability—as A, B, C, &c.—and to ascertain how the disability, mental or physical, interferes with or deprives him of the usual way of earning his livelihood, or weakens his health, strength, or voice, or renders him unable to labor or earn his subsistence. The physician should, from his knowledge of the case and from the evidence in the case, be able to state the nature, degree, and origin of the disease, and the cause of the disability by Medical Inspectors. The last sentence will state that the "discharge was given by the Medical Inspectors, after a personal examination, and a certificate of the nature, degree, and origin of which are fully detailed in the within certificate." See the Instructions, Edit. 1881.

and others, in giving certificates of disability, are to take particular care in all cases that have not been under treatment; and especially in epilepsy, convulsions, chorea, rheumatism, derangement of the urinary organs, gonorrhea, ulcers, or any obscure disease liable to be cured or purposely produced; and in no case shall such certificate be given until after sufficient time and examination, to detect any attempt at deception.

### DIRECTIONS

These certificates will be made out in duplicate by the soldier's commanding officer, or other officer commanding the company, detachment, or troop to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or troop commander, who will return, with his action endorsed thereon, through the proper channels, to the commanding officer; or, if the troops are not sent to hospital, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be appointed.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned to the same channel to the regimental, post, or departmental authority, who will, if the discharge is authorized by the superior proper authority, sign the soldier's discharge and the certificate on this paper; so that the soldier is released with honor and statements in duplicate, and forward copies of the same to the Adjutant-General United States Army of the Department of the Interior, U. S. C. they will not, under any circumstances, be given to the hands of the soldier.

Note 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (or Adjutant General) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company to which the recruit is assigned must be filled in. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of recruits, or the case may be, will countersign both enlistments or having mustered the soldier into the service of the United States before either of them is given to the recruiting officer.

# VOLUNTEER ENLISTMENT.

STATE OF

TOWN OF

Missouri

St Louis

I, Cran H. Timson, born in Connecticut  
in the State of New York, aged 21 years,  
and by occupation a Black, Do HEREBY ACKNOWLEDGE to have  
volunteered this nineteenth day of May, 1865,  
to serve as a **Soldier** in the Army of the United States of America, for  
the period of **THREE YEARS**, unless sooner discharged by proper authority:  
Do also agree to accept such bounty, pay, rations, and clothing, as are, or may be,  
established by law for volunteers. And I, Cran H. Timson, do  
solemnly swear, that I will bear true faith and allegiance to the **United States**  
**of America**, and that I will serve them honestly and faithfully against  
their enemies or opposers whomsoever; and that I will observe and obey the  
orders of the President of the United States, and the orders of the officers  
appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at

this 16th day of May, 1865.

Before

C. C. Coleman  
Capt & Pro Mgr 1st Div Mo

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and  
mental infirmity, which would in any way disqualify him from performing the duties of a soldier.

By J. J. Julian Bates  
C. C. Coleman  
EXAMINING SURGEON

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer  
previously to his enlistment, and that he was entirely sober when examined; that, to the best of my  
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the  
duties of an able-bodied soldier, I have strictly observed the regulations which govern the recruiting  
service. This soldier has light eyes, brown hair, fair complexion, is five  
feet five inches high.
